

## **LOTEFISK DINNER SURVEY**

Although October 9 seems a long way off, we need to start thinking and planning for it if we are going to hold the dinner this year.

One of the major items to take under consideration is whether or not we will have enough volunteers to make the dinner run efficiently.

With that in mind, I am asking you to answer the following questions. It starts with your name in order that I know which members have responded.

Thank you for helping our decision-making process.

Name \_\_\_\_\_

\_\_\_\_\_ I will help with Lefse making

\_\_\_\_\_ I will help with set up

\_\_\_\_\_ I will help with serving meal (work at counter)

\_\_\_\_\_ I will help in whatever other ways I can

\_\_\_\_\_ I won't be able to help with the dinner this year.

Please put this sheet in the offering plate or send it to the office. You may also call the church office and give us your response.
